

PERMISSION TO ENTER

I, _____, hereby authorize Hunt Military Housing to enter my home to complete requested maintenance service. I understand that Pinnacle will only enter my home during normal business hours or in the event of an emergency (e.g., fire, gas leak, electrical outage, flood or health and safety) at such time I would be contacted immediately at the numbers provided below. I also understand that if I am a pet owner, I will be notified 24 hours prior to maintenance entering my home in order to properly secure my pet. I expect that the attending technician will leave a copy of the work order detailing the work completed, and my home will be left in the condition in which it was found.

Name: _____

Address: _____
