

Alliant Insurance Services is pleased to bring you this edition of *InService*, a safety newsletter for military communities.

The Dangers of Kitchen Cooking

- * Leading cause of kitchen fires - unattended cooking.
- * If you leave - turn off the stove.
- * Use a timer in order not to cause excessive burning
- * Keep items away from the stovetop.
- * Keep stovetop, burners and oven clean.
- * Keep pets away.
- * No loose clothing.
- * Tight fitting sleeves when cooking.
- * Enforce a 3-foot kid-free zone:
 - o Away from cooking equipment.
 - o Away from where its prepared.
 - o Away from where its carried / handled.
- * Never hold a child while cooking
- * Use back burners when children are present.
- * Teach children that hot things burn.

Working together to prevent Kitchen fires
