

HISTORIC HOUSING STATEMENT

FOR NEW RESIDENTS IN: MAXWELL FAMILY HOUSING

Dear _____,

We are pleased to welcome you to your historic home.

We believe strongly in preserving our historic resources to maintain our community's unique appearance and character and to preserve the architecture and workmanship intrinsic in older structures.

Since our historic areas fall under the administration of the State Historic Preservation Office, any interior and exterior changes to the appearance of the neighborhood and buildings require approval. This applies to non-historic items within the historic neighborhood such as satellite dishes, house numbers, decks and freestanding gazebos, just to name a few.

By signing below, you are acknowledging that you understand that you are moving into historic housing, and that any physical changes or additions must have our prior written approval. Our approval will be determined at a minimum by the State Historic Preservation Office's policies.

I have read the above "Historic Housing Statement" and I accept the terms.
