## Military Appreciation

**Join Maxwell Family Housing on Friday 20, May 2016 as we celebrate and salute our Armed Forces. We will pay tribute to our men and women who serve our great Nation!!**

Some Tips on how to celebrate Armed Forces Day  
 Attend a military air show. Most air shows are held during the middle to late May. Local media will provide air show information and any other celebration details, or you can call the Public Information Office at your nearest military installation.

If you are in the right place at the right time, you may be able to View a Blue Angels Airshow.

Attend a parade. Find out in advance where it is and get there early enough to find a good spot to view. Take your camera if you want to capture some memories from the occasion. Start a new tradition by sending a care package to overseas military personnel. Consider other ways that you might be able to let those serving know that you appreciate their efforts, such as making and sending thank you cards, or sending thank you emails. Fly the flag on Armed Forces Day. There are many guidelines for displaying the American flag properly, with respect to the flag itself, as well as to any other flags that may be displayed

## Hunt Update

### Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day – a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something – make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

Lots to Celebrate in May!  
 Mothers' Day, Armed Forces Day, Graduations, Memorial Day. Enjoy time with your family and friends and the unofficial kick off to summer!

## Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home – open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities – be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets! Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
