

## Our President's Message

In the Spring of 2020, we partnered with Blue Star Families in a campaign to collect the most ingenious MilFam cleaning hacks. It was such a hit that we're doing it again this Fall! AND all of the finalist videos in that competition can be found at: [bluestarfam.org/milfamspringclean](http://bluestarfam.org/milfamspringclean). There are so many great tips there for you to check out! Stay tuned for more information in the coming days on the Fall version where we'll be collecting even more great ideas. We are proud to partner with

Blue Star Families and want to encourage you to take full advantage of all the great (and free!) programs and services this awesome organization has to offer. You can find a local chapter, peruse career opportunities geared towards military spouses, find great activities for your kids, or participate in their many virtual programs by going to [bluestarfam.org](http://bluestarfam.org). From all of us at HMC, I hope you and your family continue to remain safe and healthy.

Sincerely,

John Ehle  
President  
HuntMilitaryCommunities
