Our President's Message - November

As the end of the year rapidly approaches, HMC will spend November honoring our veterans and their families. November 11th is an important day for us to pay tribute to those who have served our country. In honor of this, we launch our 2nd annual "30 Days for 30 Families" initiative. We are asking for you to submit stories of veterans which we will feature across our social media platforms throughout the month. These powerful stories are being collected and will be placed in a commemorative book. November and the Thanksgiving season gives us all a chance to pause and count our blessings. At HMC we remain very thankful for the families who live within our communities and for the opportunity to serve you. We were particularly moved by everyone's generosity in October as our Helping Hands program gathered food for more than 36 Food Banks throughout the country. Our heartfelt thanks to you and your families.
