

## Our President's Message - January

Happy New Year! I hope the start of this year finds you and your loved ones healthy and happy. I wanted to take this time to thank all of you who participated in the collection of toys for the U.S. Marine Corps Reserve Toys for Tots program. Twenty-six of our communities across the U.S. participated and collected thousands of toys for this program that brings holiday joy to more than seven million disadvantaged children each season. Hunt is proud to support this holiday tradition, and we're grateful for your generosity. As we enter the new year, we are partnering with the American Red Cross to help address the critically low blood supply levels. If you are healthy, we encourage you to consider donating blood. For those who have recovered from Coronavirus, donating your plasma can help up to 4 coronavirus patients in need. For other ways you can help, go to [www.redcross.org](http://www.redcross.org). Watch for information on mobile blood donation locations in January and February within our communities.
